Such adjustment shall be made based on percentage changes, if any, in the first published Consumer Price Index (New Series - for Urban Wage Earners and Clerical Workers) of the Bureau of Labor Statistics, U.S. Dept/Labor (1957-59=100) all Cities (hereinafter referred to as the C.P.I.) as of the prior July, 1976 and January 1977, in the first instance, the prior January and July, 1977, in the second instance, and the prior July, 1977 and January, 1978, in the third instance.

3.) If there is no percentage change in the C.P.I. requiring an adjustment in a different amount, the amount of the adjustment, if any, will continue in effect for an additional six (6) month period.

4.) To determine the allowance, if any, to be made under this paragraph, the percentage change in the C.P.I. level between the dates listed in Section 2 above shall be used and one percent (1%) change will be made for each full one percent (1%) change in the C.P.I.

5.) If, after an allowance has been in effect, pursuant to paragraph 2.) above, the C.P.I. shall decrease, one percent (1%) shall be deducted for each one percent (1%) decrease in the C.P.I. below the level which the C.P.I. was required to reach in order to earn the last previous amount of allowance, provided that no deduction shall be made from the authorized wage rate.

6.) In the event that the C.P.I. for January, 1977, July, 1977, or January, 1978, have not been issued by the following February 20, 1977, August 21, 1977, or February, 19, 1978, respectively, then any adjustments that are required will be made at the beginning of the first pay period after receipt of the C.P.I.

7.) The amount of any allowance in effect at the time shall be included in computing any payments under this Agreement which are based on the regular hourly rate.

8.) In the event the C.P.I. shall be revised or discontinued, and in the event the Bureau of Labor Statistics, U.S. Department of Labor, does not issue information which would enable the Employer and the Union to determine what the C.P.I. would have been had it not been revised or discontinued, then the Employer and the Union will negotiate and agree upon an appropriate substitute for the C.P.I.

9.) The Cost of Living adjustment shall not become a fixed part of the base rate for any classification.
